

utils/stringHelper.h

```
graph TD; A[utils/stringHelper.h] --> B[string.h]; A --> C[stdlib.h];
```

A diagram illustrating the dependencies of the file `utils/stringHelper.h`. At the top, a dark gray box contains the text `utils/stringHelper.h`. Two blue arrows originate from the bottom edge of this box. The left arrow points to a light gray box labeled `string.h`, and the right arrow points to a light gray box labeled `stdlib.h`. Both boxes have a thin dark border.
